FORCES OF FORTUNE: THE RISE OF THE NEW MUSLIM MIDDLE CLASS AND WHAT IT WILL MEAN FOR OUR WORLD

[DOWNLOAD](#)

Tantor Media, Inc, United States, 2009. CD-Audio. Book Condition: New. Unabridged. 168 x 137 mm. Language: English . Brand New. Renowned Middle East expert Vali Nasr s bestselling book The Shia Revival profoundly transformed the debate about the Iraq War by unveiling how the Sunni-Shia rift was driving the insurgency. Now, in Forces of Fortune, Nasr presents a paradigm-changing revelation that will transform the understanding of the Muslim world at large. He reveals that there is a vital but unseen rising force in the Islamic world-a new business-minded middle class-that is building a vibrant new Muslim world economy and that holds the key to winning the cold war against Iran and extremists.Nasr s groundbreaking analysis will utterly rewrite the wisdom about how the West can best contend with the threat of Islamic extremism, as well as about the future we can expect of the Muslim world. The great battle for the soul of Iran, the Arab world, Pakistan, and the entire region will be fought not over religion, Nasr reveals, but over business and capitalism.With a deft combination of historical narrative and eye-opening contemporary on-the-ground reporting from his constant trips to the region, Nasr takes us behind the news, so dominated by the struggle against extremists and the Taliban, to introduce a Muslim world we ve not seen-a Muslim world in which the balance of power is being reshaped by an upwardly mobile middle class of entrepreneurs, investors, professionals, and avid consumers, who can tip the scales away from extremist belligerence. His insights into the true situations in Iran, Pakistan, Afghanistan, and the crucial bright spots of Dubai and Turkey provide a whole new way of thinking about the troubles and prospects in the region.Drawing on his in-depth knowledge of the Muslim world s tortured history, Nasr offers a powerful...
