Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

(Dr. Lukas Hills DDS)

WHAT LURKS BENEATH

Kensington Publishing. Paperback. Book Condition: new. BRAND NEW, What Lurks Beneath, Ryan Lockwood, From the acclaimed author of "Below" comes a new breed of terror that rises from the depths of the ocean. To hunt. To devour. To kill. The first attack occurs in the underwater caverns of the Bahamas. Two professional divers exploring the unknown. A monstrous flesh-ripping predator they never see coming. Now the attacks are coming closer and closer to shore. A sun-soaked playground for sea-loving tourists. A human feasting ground for whatever lurks beneath. Now, in a desperate race against time, Eric Watson, an expert on remote control underwater vehicles, and marine biologist Valerie Martell, must identify a savage new species of killer and piece together one of nature's most horrific mysteries. But the most terrifying discovery of all waits for Val and her team at the bottom of the sea. A discovery too shocking, to comprehend. "Because up till now, this creature existed only in mankind's darkest nightmares. Not anymore."".
