THE LUSAKA YEARS: THE ANC IN EXILE IN ZAMBIA, 1963 TO 1994

Jacana Media (Pty) Ltd. Paperback. Book Condition: new. BRAND NEW, The Lusaka Years: The aNC in Exile in Zambia, 1963 to 1994, Hugh Macmillan, This is the extraordinary story of the ANC in exile in Zambia, where the organisation had its headquarters for most of the time after it was banned in South Africa. The book uses the ANC's own archives, the Zambian archives and oral sources, as well as the author's own participant observation, to provide a vivid account of this crucial era in southern African history. It seeks to understand the sociology of the ANC in exile in Zambia and argues that this was very different from its camp-based culture in Angola. It also examines the influence of the ANC's exile experience on its approach to negotiations with the South African government and the transition from apartheid. It concludes by arguing that the legacy and lessons of exile were not, as some observers suggest, so much secrecy, paranoia and a lack of internal democracy, as caution, moderation and the avoidance of utopian experiments or great leaps forward.
