Lulu.com, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Within these pages live twenty short stories crafted by twenty authors. Each provides a unique glimpse into the mind and writing style of a budding young writer. You, the reader, may be wondering what the title of this book means; especially considering that not one of the stories contained within these pages includes Christmas as a setting, plot advancement, or theme. The title comes quite literally from the submission deadline of the individual pieces. Completed as part of 2015 s annual NaNoWriMo competition, these narratives represent the perseverance, hard work, and determination of twenty outstanding Grade 7 and 8 students at Lincoln Alexander Public School in Ajax Ontario. It is with great pleasure that we present this anthology to the world. May you have a much fun reading as we did writing.
