CAESAR: THE LIFE STORY OF A PANDA LEOPARD

[DOWNLOAD](#)

W. W. Norton & Company. Paperback. Book Condition: New. Paperback. 94 pages. Dimensions: 8.0in. x 6.0in. x 0.3in. O'Brien was only 15 when *Caesar* was published, but he already possessed an instinct for deft plotting and uncomplicated narrative. The New York Times A stark tale encompassing the cruelty and beauty of the natural world, and a clear demonstration of the storytelling gift that would later flower in the Aubrey-Maturin series. When he was fourteen years old and beset by chronic ill health, Patrick O'Brien began creating his first fictional character. I did it in my bedroom, and a little when I should have been doing my homework, he confessed in a note on the original dust-jacket. *Caesar* tells the picaresque, enchanting, and quite bloodthirsty story of a creature whose father is a giant panda and whose mother is a snow leopard. Through the eyes and voice of this fabulous creature, we learn of his life as a cub, his first hunting exploits, his first encounters with man, his capture and taming. *Caesar* was published in 1930, three months after O'Brien's fifteenth birthday, but the dry wit and unsentimental precision O'Brien readers savor in the Aubrey-Maturin series is already in evidence. The book combines Stephen Maturin's fascination and encyclopedic knowledge of natural history with the narrative charm of Rudyard Kipling's *The Jungle Book*. It was published in England and the United States, and in translation in Sweden, Norway, Denmark, and Japan. Reviews hailed the author as the boy-Thoreau. We can see here a true storyteller in the making. . . . a gripping narrative, which holds the reader's attention and never flags. The Spectator This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
