Open Court Publishing Co ,U.S., United States, 2000. Paperback. Book Condition: New. 227 x 152 mm. Language: English . Brand New Book. This volume offers new insights into the role of women in ancient China, their important contributions to society, and their pursuit of personal growth and fulfillment. The position that Confucianism may actually foster gender equity is particularly interesting in discussions of whether the Confucian worldview is degrading or repressive toward women.
