## Korea and the Imperialists: In Search of a National Identity (Hardback)

By Young Park

AUTHORHOUSE, United States, 2009. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.KOREA AND THE IMPERIALISTS Until the Korean War in 1950, except for evangelist Christian missionaries, Americans were not interested in Korea or considered it important in the scheme of things. Many did not know Korea had existed as an independent kingdom for centuries and others thought Korea might be a part of China or Japan. Nationalism, geopolitics, and imperialism were the major determinants of international events in the late nineteenth and early twentieth century. Greed and racism were the prime motivators of imperialism and non-White societies of the world were the victims. Korea was one of many countries that was invaded and made a sphere of influence. With the support of America and Britain, Japan destroyed Korea's traditional national identity and made Korea a colony in the Japanese Empire. It was the perfect example of how imperialism profoundly affected the social, economic, and political life of countries subjugated by imperialist powers. After World War II, Korea was not granted independence because the Americans did not believe Koreans were capable of self-government. Korea was divided into two military...
