Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

800 DAYS ON THE EASTERN FRONT A RUSSIAN SOLDIER REMEMBERS WORLD WAR II MODERN WAR STUDIES

University Press of Kansas. Hardcover. Book Condition: New. Hardcover. 176 pages. Dimensions: 9.1in. x 6.0in. x 0.8in. During his 800 days of war, Nikolai Litvin fought at the front lines in the ferocious tank battles at Kursk, was wounded three times, and witnessed unspeakable brutalities against prisoners and civilians. But he survived to pen this brief but powerful memoir of his wartime experiences. Barely out of his teens, Litvin served for three years in the Red Army on the killing fields of the Eastern Front. His memoir presents an unadorned, candid narrative of the common soldiers lot in Stalins army. Unlike the memoirs of Russian officers usually preoccupied with large military operations and political concerns this narrative offers a true ground-level view of World War IIs deadliest theater. It puts a begrimed human face on the enormous toll of casualties and provides a rare perspective on battles that were instrumental in the defeat of the German army. Litvins varied roles, ranging from antitank gunner at Kursk to heavy machine gunner in a penal battalion to staff driver for the 352nd Rifle Division, offer unique perspectives on the Red Army in World War II as it fought from the Ukraine deep into the German heartland. Litvin documents such significant battles as Operation Kutuzov, Operation Bagration, and the German counterattack on the Narev, while also providing unique personal observations on fording the Dnepr River under enemy fire, the rape of German women by Russian troops, and literally seeing his life pass before his eyes as he watched a Stukas bomb fall directly on his position. And, because part of his duties involved chauffeuring Red Army generals, he also presents revealing glimpses into their personalities and behaviors. Originally written in 1962, with events still fresh in his mind, Litvins memoir lay unpublished and unseen until translator...
