In this paper I want to discuss, how susceptible are we to linguistic style How profoundly can the impact of a message be enhanced by the manner in which it is written, assuming that one and the same thought can be expressed with different stylistic tools The choice of words reflects not only differences in evaluations (positive or negative) or in emotions - it is also able to thrust reader s attitude to the core of a message and to direct and control one s perception and comprehension. The paper claims that language can be a very powerful and persuasive tool which draws the readers attention, being operated by skilful editors in a newspaper or magazine headline. In...
