

Sports in Socio-Political Territory: Game Performances and Tourism

By Dalton Watlerlyons

Whitaker House, United States, 2015. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Sports in Socio-Political Territory looks at the emerging recreation in this region. In the modern world, we can easily understand that children, young people, adults, and senior citizens who take part in sports activities do so to experience a feeling of belonging, engage in social interaction, compete, share with fans, appear better physically, relieve stress, enjoy better mental health, and/or play without caring about the results; of the physical activities available for recreational purposes, sports are preferred. In order to understand the aforementioned, one only has to recognize the number of countries that participate in the games organized by various international sporting federations. Sports have undergone an indescribable boom, but how they were initiated, developed, and established and how some sports have gained more acceptance than others in territories that are subordinate to a greater state, are the main reasons for this study. The Cayman Islands are the subject of our study, which is why we ask ourselves how sports emerged and why communities chose an accepted, determined sport over other forms of recreation. The questions are valid and deserve attention...
