ONE FOOT IN THE GRAVE

Baen, 1996. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This collection of irresistible games targets the math skills students in grades 2-3 need to know, including addition, subtraction, time, money, and place value. The 30 easy-to-prep activities use common manipulatives and consist of one-page reproducible game boards and simple directions students can follow independently. A great way to keep student pairs engaged and learning during seatwork and center time--and perfect to send home so students can get in even more practice. For use with Grades 2-3.
