

## Puberty in Girls: Puberty Questions on Everything Including Sex Puberty Questions for Girls a Survival Guide

By Dana Tebow

Createspace, United States, 2012. Paperback. Book Condition: New. 250 x 148 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When a girl is going through puberty many things are happening in her body at the same time, her breasts are changing in size and shape, her hips are widening, she is growing taller, and there are also changes in her reproductive system such as the maturing of her eggs and the beginning of her menstrual cycle. She will also grow hair under her arm as well as on her pubic region. She will now have to be concerned about issues having to do with sex as this can mean either pregnancy and/or sexually transmitted diseases. All these changes in a female's body are due to the changes in her hormones and this can cause her to be moody and have bursts of anger. This can be a very confusing time for them as they are wrestling with still being a child but also becoming an adult. They will also have the responsibility of figuring out how to take care of themselves as it relates to what they need in order to properly take care of their...
