THE AUDACITY OF FAITH: THE RELEVANCE OF FAITH TO SUCCESS

iUniverse, United States, 2009. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In *The Audacity of Faith*, an international motivational speaker and author of eleven books provides insight into the concepts of audacity and faith and why both matter so much in a time of economic crisis and global uncertainty. With an original, faith-based approach, Dr. Emma Etuk captures the feelings and dreams of many persons of African origin who see the election of President Barack Obama as a new beginning in both America and the world. He explains the meaning of audacity- the possession and exercise of the virtues of courage, bravery, temerity, effrontery, guts, and unusual boldness to do the unbelievable-while comparing the thoughts and actions of biblical characters with today's leaders. While stressing that faith is the dynamite for successful living, Dr. Etuk details the secret of faith, the incorporation of hope into faith, and the relevance of faith to success, ultimately bringing others to an inspirational conclusion that through the audacity of faith, anyone can succeed in life.
