Born Again at the age of ten. He is gifted with a natural talent and magnificent aptitude for math. Williams was able to show and display his natural gift at an early age, teaching a second semester math class at the age of eleven. His logical and analytical mind has also brought him a chess trophy (third in the state in the junior division) at the age of thirteen, and an award for the world's largest unofficial MagicMath Square in his ninth grade science fair at the age of fourteen. As Williams extensive knowledge was acknowledged, opportunities to share it were in demand. He taught one class in Number Theory at the Oral Roberts University in his mid twenties. Williams also had a Math Formula copyrighted and also earned a Doctor of Naturopathy certificate, a drug-free medical treatment. He won a baseball trophy in his teens, he square danced for seven years and involved in two square dance Exhibitions. He played a fiddle for five years. He has written...
