Interpreting China's Economy

By Gregory C. Chow

World Scientific Publishing Co Pte Ltd. Paperback. Book Condition: new. BRAND NEW, Interpreting China's Economy, Gregory C. Chow, This book is unique in covering all important topics of the Chinese economy in depth but written in a language understandable to the layman and yet challenging to the expert. Beginning with entrepreneurship that propels the dynamic economic changes in China today, the book is organized into four broad parts to discuss China's economic development, to analyze significant economic issues, to recommend economic policies and to comment on the timely economic issues in the American economy for comparison. Unlike a textbook, the discussion is original and thought-provoking. It is written by a most distinguished economist who has studied the Chinese economy for thirty years, after making breathtaking contributions to the fields of econometrics, applied economics and dynamic economics and serving as a major adviser to the government of Taiwan during its period of rapid development in the 1960s and 1970s. In the last thirty years, the author has served as a major adviser to the government of China on economic reform and important economic policies and cooperated with the Ministry of Education to introduce and promote the development of modern economics in...
