Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Verso Books. Hardback. Book Condition: new. BRAND NEW, Night Haunts: A Journey Through Nocturnal London, Sukhdev Sandhu, London at night, from Shakespeare's time to Dickens to Jack the Ripper, was always seen as a lawless orgy of depravity and pestilence, teeming with rogues and bandits. But is it now as bland and unthreatening as any new town? Sukhdev Sandhu journeys across London to find out whether the London night really has been rendered neutral by street lighting and CCTV cameras. Sandhu's forays see him prospecting in the London night with the people who drive its pulse, from the avian police to security guards, zookeepers and exorcists. He wades through the sewers, hangs out with pirate DJs and accompanies the marine patrol looking for midnight corpses. In a beautifully written and wonderfully illustrated book he seeks to reclaim the mystery and romance of the city - to revitalise the great myth of London for a new century.
