Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Daw Books. Paperback. Book Condition: New. Mass Market Paperback. 320 pages. Dimensions: 6.7in. x 4.1in. x 1.1in. My name is Peter Grant, and I am a keeper of the secret flame -- whatever that is. Truth be told, theres a lot I still dont know. My superior Nightingale, previously the last of Englands wizardly governmental force, is trying to teach me proper schooling for a magicians apprentice. But even he doesnt have all the answers. Mostly Im just a constable sworn to enforce the Queens Peace, with the occasional help from some unusual friends and a well-placed fire blast. With the new year, I have three main objectives, a) pass the detective exam so I can officially become a DC, b) work out what the hell my relationship with Lesley Mai, an old friend from the force and now fellow apprentice, is supposed to be, and most importantly, c) get through the year without destroying a major landmark. Two out of three isnt bad, right A mutilated body in Crawley means another murderer is on the loose. The prime suspect is one Robert Weil, who may either be a common serial killer or an associate of the twisted magician known as the Faceless Man -- a man whose previous encounters Ive barely survived. Ive also got a case about a town planner going under a tube train and another about a stolen grimoire. But then I get word of something very odd happening in Elephant and Castle, on a housing estate designed by a nutter, built by charlatans, and inhabited by the truly desperate. If theres a connection to the Crawley case, Ill be entering some tricky waters of juristiction with the local river spirits. We have a prickly history, to say the least. Just the typical day for a magician...
