The story explains how Samuel left his home caregiver to a whole new world as a pre-schooler. You will learn the written and unwritten rule of school so that your child will be able to make a smooth transition without fear. First of all, parents should read the book then share it with their children. You will be able to help your child become excited about leaving his or her home caregiver, transferring, or leaving you for the first time. In closing, there is something nice about leaving your child in an anxiety free world while they are learning and playing all day long.
