

The Story of Original Sin

By John Toews

Wipf Stock Publishers, United Kingdom, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: This book traces the history of the interpretation of the disobedience of Adam and Eve in Genesis 3 through the biblical period and the church fathers until Augustine. It explains the emergence of the doctrine of original sin with the theology of Augustine in the late fourth century on the basis of a mistranslation of the Greek text of Romans 5:12. The book suggests that it is time to move past Augustine's theology of sin and embrace a different theology of sin that is both more biblical and makes more sense in the postmodern West and in the developing world. Endorsements: Both entertaining and instructive, this book smacks of a detective story. Yet with careful argumentation Toews overturns the long-held views (since Augustine) of original sin. Toews is known in the classroom both for astute analysis and thoroughness. Both are on display here. His conclusions are arresting, for they reach into beliefs about human nature, salvation, ethics, and much else. Scholars will have ample grist for their theological mills. --Elmer Martens, President Emeritus and...
