Brand New Book ***** Print on Demand *****.The people of Dragon Ditch Village had been farming for centuries before they elected 27-year-old Eastern Sun as their leader. When Eastern Sun unveiled his plan to build a ten-story eco-hotel and flood the villagers cornfields so that the hotel would have a lake view, how do you think the villagers reacted? They turned to me and smiled. We think of him like our son. In *Permanent Migrants*, Amos Irwin abandons the usual top-down view of contemporary China in favor of conversations with the Chinese people themselves. From the cement factories of Inner Mongolia to the temples of Shanxi, *Permanent Migrants* investigates the lives of village politicians, monks, undercover cops, and migrant noodle chefs. While they race to get ahead in the fastest-changing economy in the world, they struggle with the test-centric educational system, with the One Child Policy, and with hukou, the population control system that makes two in ten Chinese people illegal migrants in their own country. *Permanent Migrants* is based on dialogues with Chinese people eager to talk to their first-ever foreigner. It provides the reader with incisive explanations of Chinese policy and twentieth-century history. It illustrates not only the incredible warmth and generosity of these individuals, but also their place in the rapid yet restrictive evolution of modern China.
