Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).
(Payton Miller)

Allen & Unwin. Paperback. Book Condition: new. BRAND NEW, Naveed, John Heffernan, Lyn White, The explosion jolts him awake. He sits up, gasping for air, heart thumping. Was the blast real? Perhaps it had only happened in his head, a bad dream. Demons of the dark, his father had called them. 'Push them away. They'll only poison your thoughts. Seek the light and they can't hurt you.' Naveed is sick of war - of the foreign powers and the Taliban, the warlords and the drug barons that together have torn Afghanistan apart. He's had to grow up quickly to take care of his widowed mother and little sister, making what little money he can doing odd jobs and selling at the markets. When he adopts Nasera, a street dog with extraordinary abilities, he has a chance to help rebuild his country. But will a new friend's betrayal crush his dreams of peace forever? From the winter of war comes the spring of hope. Naveed brings a human face to a war we have heard so much about. John Heffernan has allowed us an important glimpse into the world of an Afghan child and an insight into the complexity and beauty of the Afghan people. In Naveed, we have a name for the thousands of Afghan children who are suffering through this terrible war. Through his optimism, we are offered hope.' - Neil Grant, author of The Ink Bridge.
