In 1978 four of the toughest boys in town vomit and weep when they stumble across Border Patrol agents who covertly exterminate caged, illegal immigrants with kerosene and a single cigarette. Later, as adults, two of the boys discover similar practices still exist and are secretly sanctioned by both the State and federal authorities to further political careers. Beyond the Border is a story about an attorney, Mike Phillips, fighting for the rights of illegal aliens - unknowingly and feloniously aided by a Columbian ally - but undermined by a staircase of politicians and political platforms that escalates to the presidency and the future presidency.
