

The Secret History of Emotion: From Aristotles Rhetoric to Modern Brain Science

Filesize: 5.05 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

University of Chicago Press. Paperback. Book Condition: New. Paperback. 204 pages. Princess Dianas death was a tragedy that provoked mourning across the globe; the death of a homeless person, more often than not, is met with apathy. How can we account for this uneven distribution of emotion Can it simply be explained by the prevailing scientific understanding Uncovering a rich tradition beginning with Aristotle, The Secret History of Emotion offers a counterpoint to the way we generally understand emotions today. Through a radical rereading of Aristotle, Seneca, Thomas Hobbes, Sarah Fielding, and Judith Butler, among others, Daniel M. Gross reveals a persistent intellectual current that considers emotions as psychosocial phenomena. In Grosss historical analysis of emotion, Aristotle and Hobbess rhetoric show that our passions do not stem from some inherent, universal nature of men and women, but rather are conditioned by power relations and social hierarchies. He follows up with consideration of how political passions are distributed to some people but not to others using the Roman Stoics as a guide. Hume and contemporary theorists like Judith Butler, meanwhile, explain to us how psyches are shaped by power. To supplement his argument, Gross also provides a history and critique of the dominant modern view of emotions, expressed in Darwinism and neurobiology, in which they are considered organic, personal feelings independent of social circumstances. The result is a convincing work that rescues the study of the passions from science and returns it to the humanities and the art of rhetoric. (20060104) This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
