Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Arcadia Publishing, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Title: Pike County Book Available from Arcadia Publishing! Author: Karen Rice Publisher: Northeast PA Real Estate Information Date: 12/17/09 I was able to preview a delightful local history book on Pike County PA courtesy of Arcadia Publishing. My husband and I really enjoyed the sneak peek - it's always fun to see stuff before others! I've seen SEVERAL of these books for sale in Borders - there are other Pennsylvania local history books too. Lake Ariel is one that caught my eye! This comprehensive Pike County book has a great selection of historical pictures and information about Pike County PA, my home! We've been looking through the pages and made a promise to each other to go visit Grey Towers, the home of Governor Pinchot, who was the father of the modern forestry movement. When I was in high school my choral group sang there for a Christmas special; hubby has never been there. Also mentioned are former schools, and some hot spots in Milford that are still open for business! Pike County was written by local history expert Lori Strelecki, who has worked with the Columns Museum in Milford for nearly a decade. It is available for everyone to purchase, and the website promises that if your order is placed by December 22, it will arrive in time for Christmas.
